

## Prerequisites for the FSU Art Therapy Masters Program

### **Psychology Prerequisites**

*12 credits of psychology courses are required.*

The following four courses are preferred:

General Psychology  
Abnormal Psychology  
Developmental Psychology  
Introduction to Psychology of Personality

However, if your college or university does not offer the above courses, please consider taking the following:

Child Psychology  
Psychology of Adolescent Development  
Psychology of Exceptional Children  
History and Systems of Psychology  
Theories of Psychology

### **Studio Art, Art History, Art Criticism, and Art Aesthetics Prerequisites**

*30 credits of art courses are required.*

18 credits must be studio art courses and may include:

Drawing  
Painting  
Photography  
Wheel throwing  
Ceramics  
Sculpture

\*It is preferred that two courses be art history courses.
